

USB 2.0 Memory Chip

Brand : Samsung / Toshiba / Micron
USB Interface: USB 2.0
Capacity Available : 1- 64GB
Performance: Write at 4 - 10 MB/S
Read at 15 - 25Mb/S
Dimensions (mm) : 11.3 x 15 x 1.4
11.3 x 24.8 x 1.4
Operating System Requirements:
Windows XP and above
Mac OS 9.0 and above
Linux Kernel 2.4 and above
Water Resistant
Shock Resistant

As a company, we always strive to go the extra mile to satisfy our customers with new and innovative services. With our expertise in USB flash drive, we are delighted to provide our customer with:

Pre-Loading Data Service

We provide pre-loading data service which enables customers to pre-load **Non-Erasable** files with **Auto Play** into the USB such as:

- Pictures** E.g. Logos, Company/Organisation Information, etc
- Videos** E.g. Promotional, Advertisement, etc
- Documents** E.g. Company/organisation Profiles, Reports, PDF files and many more types!

We are also able to embed an **Autoplay Function** into the USB. This will allow the preloaded files requested by the customer to launch automatically when the USB is inserted into the computer.

Imagine the practicality and usefulness of such functions. Customers are able to give USB drives pre-loaded with their desired information. This would certainly ensure an effective reach to the target audience. Ensuring that the gift is truly unique for our customers.
